LOWE LIPPMANN TRAKMAN FINANCIAL SERVICES

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services offered by us, as described in this guide, including:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee Hillross Financial Services Limited (Hillross)
- our fees and how we, your adviser and Hillross, are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Hillross

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Lowe Lippmann Trakman Financial Services Pty Ltd is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information.

Should you choose to withhold information, or if information you provide is inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to Hillross as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services. These can include financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance.

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

We may qualify to receive a DMA payment to recognise our growth and professionalism. The DMA payment is based on a rate, calculated once per year, and determined by our ranking relative to other Hillross firms. Up to 60% of all Hillross firms may qualify for DMA payments. The relevant rate may range from 0% to 3%, depending on our ranking. It is then applied to our firm revenue of the prior year and paid to us once a year.

For example, if our DMA is set at 1% and our revenue for the prior year was \$200,000, we would receive a total of \$2,000 for that year.

How our performance is ranked

Ranking of practice is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the Hillross Financial Services network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

Para-planning costs subsidy

We may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that we make in a particular month. If our practice submits a minimum of 5 paraplanning requests per eligible authorised representative in our practice, we receive a discount of up to 10% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$100 (10% x \$1,000 = \$100) and pay a discounted fee of minimum \$900.

Placement fees

From time to time Hillross will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of securities (such as shares and rights issues). The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Hillross. We may share in this fee based on the level of participation by our clients.

Business buy-back option

If we leave the financial services industry, Hillross makes available a facility for its authorised representatives to transfer their clients. If this happens, Hillross may buy back the servicing rights of our clients. The facility is subject to certain conditions (such as, reason for sale, time the firm has been operating with Hillross, level of adherence to Hillross compliance requirements and achieving a satisfactory level of customer service), and provides a minimum value for our register of clients. The minimum value is based on a multiple of firm revenue. If at some future time we should look to sell our firm, and we cannot find a willing buyer, Hillross may purchase the servicing rights of our clients in these circumstances.

Personal and professional development

Hillross provides personal and professional development opportunities in the form of a multi-tiered development program, offered annually to qualifying practices.

Summit

The Summit is a national convention available to advisers from all Hillross practices. Hillross subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

Mid-tier study tours

Hillross will subsidise the cost of our participation in certain personal and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in Hillross. The maximum amount of this subsidy is \$12,000 per annum per practice.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by Hillross. The additional qualification criteria requires long term achievement of the mid-tier study tour criteria. If a practice qualifies for the Amicus program, Hillross will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

Relationships and associations

It is important that you are aware of the relationships that Hillross has with providers of financial services and products as they could be seen to influence the advice you receive.

If we recommend a product issued by the AMP Group or a third party product issuer, they will benefit from our recommendation by receiving product, administration and investment fees, as well as fees paid by fund managers to distribute their product. These fees are all disclosed in the relevant PDS or IDPS guide.

Authorised representatives and/or staff employed in our business may hold shares in AMP Limited, whose share price may be favourably affected by the sale of products issued by AMP Group companies.

Hillross' relationships with other companies

AMP Services Limited provides administration services and distribution infrastructure services to several issuers of financial products and loan products under agreements entered into prior to 1 July 2013.

In return for those services, AMP Services Limited receives remuneration as set out below:

- For investment products and loan products – up to 0.33%* p.a. of funds under administration, the balance of any relevant cash account or the total loan value outstanding.
- For insurance products – up to 10%* p.a. of the total premium paid.

*includes GST

By way of example:

- If total funds under administration for a particular investment product is \$10 million, AMP Services Limited would receive \$33,000.
- If total premiums for insurance products are \$1 million, AMP Services would receive up to \$100,000.

From time to time, AMP Services Limited may facilitate access to Hillross and its authorised representatives for issuers to train or educate Hillross and its authorised representatives on their products.

Arrangements with platform providers

Margin lenders may make payments to AMP Services Limited of up to 0.55% pa (including GST) in respect of margin loans calculated on the outstanding balance of a loan. Payments are normally made monthly. As an example, for each \$10,000 of an interest only loan, the payment would be \$55 over a year. However, for other loans, the payments will vary as interest is charged and principal is repaid. Our firm does not receive any part of the payments received by AMP Services Limited, although we may indirectly benefit from these arrangements through the Hillross recognition program referred to earlier in this Guide.

The Personalised Portfolio (PP) platform

The Personalised Portfolio Platform is operated by AMP Capital Investors Limited (AMP Capital). If you invest in the PP platform your fees are payable to AMP Capital. AMP Capital passes a portion of these fees on to other AMP group companies and associates, including:

- Hillross for investment research and platform support services;
- us for any wealth management services provided; and
- if you invest in a model portfolio or managed fund managed by AMP Capital or Hillross, they may also receive investment management and performance fees based on your investment in their investment options;
- Australian Securities Administration Limited for the administration services they provide.

Payments made to AMP group companies are generally calculated as a percentage based on the amount of money you have invested in the PP platform or, for any investment management and performance fees, for a particular investment option.

Up to 100% of the administration fees you pay for the PP platform may be notionally allocated to Hillross. The notional allocation may indirectly affect the payments we receive through the Hillross recognition program, which is referred to earlier in this Guide.

Further details about the fees and costs of investing in the PP platform are detailed in the product disclosure statement for the PP platform.

PortfolioCare Platform

The PortfolioCare range of administration services are issued by companies in the AMP Group. These companies have an agreement with Asgard Capital Management Limited (Asgard) under which Asgard administers the PortfolioCare administration services in addition to administration and support services also provided by AMP companies.

If you access a product in the PortfolioCare range, then administration and, where applicable, custodial share and trustee fees are deducted from your account. These fees, as set out in the product disclosure statement or IDPS Guide, are paid to Hillross after deduction of expenses for administration and support services described above.

A full description of the fees is in the relevant product disclosure statement or IDPS guide for the relevant service. Our firm does not receive any part of the payments received by Hillross.

Hillross may also qualify for a share of the profit on the life insurance business taken out through the PortfolioCare platform. The profit is based on the claims experience for that business and total

premiums received. The AMP Group is paid a portion of that profit by the insurer, some of which is passed on to Hillross.

These payments are not shared with us although we may indirectly participate in these payments through the Hillross recognition program, which is referred to earlier in this Guide.

Definitive Wrap platform

If you access a product through the Definitive platform, which is operated by Macquarie Investment Management Limited (MIML), then the administration fees are deducted from your account within that platform and paid to Hillross. MIML is paid a fee by Hillross for administering this platform. The administration fees are not shared with us although we may indirectly participate in this payment through the Hillross recognition program which is referred to earlier in this Guide.

Further details about the fees and costs of investing in the Definitive Wrap platform are detailed in the product disclosure statement/IDPS guide for the Wrap platform.

Our referral arrangements

Where you have been referred to us by someone else we may pay them a fee, commission or some other benefit in relation to that referral. Our current referral arrangements are detailed below:

Provider	Payment arrangement
Guests Accounting Services	40% of initial and ongoing fees. For example if initial fees are \$1,000 we would pay \$400, if the ongoing fee is \$500 we would pay \$200.

Our services for Managed Discretionary Accounts

We offer limited types of Managed Discretionary Account services (MDA services) within approved investment platforms. Through these services, you allow us to manage your investments for you, using our discretion and without obtaining your instructions before each transaction we undertake on your behalf. However, we do not (and we are not authorised to) open new accounts, withdraw funds or contribute funds to your investment.

What are the risks associated with using the MDA service?

By authorising us to make changes to your investments, you cannot claim we were not acting on your behalf if we acted within the authority given. Therefore, our acts bind you. It is important you understand what we are authorised to do and that you carefully read and understand the activities that you are authorising us to do on your behalf.

How can you instruct us to exercise rights relating to the financial products in your portfolio?

Generally, the financial products that we invest in on your behalf do not have any additional rights or entitlements attached to them. However, if there are, we will let you know. You can then instruct us how you wish us to proceed.

Do you have to enter into a contract for us to provide MDA services?

Yes. This MDA contract will set out the terms and conditions of the authority and also the investment program, which sets out how your money will be invested. We will agree and prepare the investment program for you based on your relevant personal circumstances, your financial objectives and your needs and review the program every 12 months.

Will the investment program in the MDA contract comply with the law?

If this is relevant, then the investment program set out in the MDA contract will comply with the law. The relevant law is Division 3 of Part 7.7 of the Corporations Act. The contract will also contain:

- statements about the nature and scope of the discretions we will be authorised and required to exercise under the MDA contract
- any investment strategy that is to be applied in exercising those discretions
- information about any significant risks associated with the MDA contract
- the basis on which we consider the MDA contract to be suitable for you, and
- warnings that the MDA contract may not be suitable to you if you have provided us with limited or inaccurate information. It will also specify that the MDA service may cease to be suitable for you if your relevant personal circumstances change.

Do we provide custodial or depository services for your portfolio?

We do not provide custodial or depository services. This means that you will either hold the investments in the portfolio, or the custodian nominated for that financial product will hold them.

This financial services guide complies with the ASIC Class Order 04/194.

Schedule of fees

These prices should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice.

Initial service fees

Our preferred method of charging for our services is a fee agreed with you the client. All fees and charges quoted below include GST.

These are fees paid when you have agreed to receive our advice:

Initial service	Fee amount
Hourly Rate	\$330.00

Ongoing service fees

If funds under management are less than \$500,000, the fee for us providing ongoing services is a percentage of funds under management. Details of the percentage based fees are set out in the table below.

Where funds under management are in excess of \$500,000, the fee for our ongoing services is a fixed annual dollar amount, which is agreed with your adviser based on the service we provide at our hourly charge rate.

We provide ongoing services to help you stay on track to meet your goals. The cost of these services are as follows:

Ongoing service	Fee amount
Funds under Management Annual fee - Under \$500,000	0.88% of your account balance For example, if your account balance was \$250,000, your fee would be \$2,200.
Funds under Management Annual fee - Over \$500,000	Fixed dollar amount as agreed with your adviser

Commissions

We do not receive commissions on investments through new superannuation, managed funds or retirement products. However, some products, particularly older products, may attract commissions.

Any commission amounts will be disclosed to you when providing our advice. The following table is a guide of commissions we may receive.

Product type	Initial commission	Ongoing commission	Example
Insurance (including those held within superannuation)	Up to 130.00% of the first year's premium.	Up to 33.00% of the premium each following year.	If your insurance premium was \$1,000, we would receive up to \$1,300.00 initially and \$330.00 pa.
